A Word about Funding Our Concerts...

All bandstand concerts are free and open to the public. Funding for our concerts comes largely from individuals, so we encourage you to offer your financial support when our red buckets are available during intermissions. Our non-profit organization, Friends of the Wolfeboro Community Bandstand, Inc., deeply appreciates your contributions.

If you wish to make a donation, please send a check, made payable to "Friends of the Bandstand" at the address below. All donations are tax deductible (our Federal EIN Number is 02-0479353).

Our Endowment Fund

The Concert Endowment Fund has grown substantially in the past few years, placing our bandstand concerts on the road to self-sufficiency, but we are not quite there yet. Please give in any way you can. Cash, appreciated stock, or planned gift are ways you can help to ensure that these concerts continue well into the future. Please contact Treasurer Heather Ashton at the address below for more information.
